

Verification of Program Handbook Review

Full Name (Print): _____

I verify the following:

1. I have read/reviewed the PsyD Program Handbook and PsyD Clinical Training Handbook.
2. I had the opportunity in PSY 600 to obtain clarification on anything I was unclear about.
3. I have sufficient awareness of handbook content to know the nature of the policies addressed and thus recognize when I should seek guidance in the handbook.
4. I understand
 - a. The handbooks summarize the policies in effect for the Doctoral Program in Clinical Psychology at the start of the current academic year.
 - b. All policies and requirements are subject to change.
 - c. I am expected to follow the established policy, including submission of any requirements in accordance with announced due dates.
 - d. If after checking the handbook regarding policies I am unclear on a policy or procedure, I should seek guidance from appropriate program faculty or the Academic Services Manager
 - e. I am expected to regularly review program announcements that accompany such changes and then to abide by the changed policies.
 - f. Handbooks are updated each year. Students must adhere to the current academic year's handbooks for all program requirements with the exception of requirements for programs progression outlined in the University Catalog for the year of entry to the program.
