► I hereby request the Office of International Student Services (OISS) to terminate my OPT employment authorization, and my F-1 immigration status and I-20 in the Student Exchange Visitor Information System (SEVIS). I understand that once this request form is submitted to the OISS, my I-20 will become invalid, my OPT employment authorization will be automatically terminated (although it will still “appear” to be valid from the face-value of the Employment Authorization Document (EAD)), and I will not be able to continue my OPT employment or reenter the United States in F-1 student immigration status with the terminated I-20 & SEVIS record. I also understand that I must depart the United States **within 15 days** after my F-1 status, OPT, and SEVIS record are terminated.

► **NOTE:** The OISS will send an email confirmation once we have received this request and have processed it in SEVIS. Please allow at least 1 week for processing.
