

PARKING LOT SENSE

- Park in a well-lit, heavily traveled areas if possible. If you know you are going to be staying late, check for lights when you park in the morning. If there are no spaces near lights, move your car to a better location at noon or when other employees begin to leave for the day.
- If you are working late, utilize the campus escort service. Don't walk alone. The Escort Phone Number is 226-2075.
- Always lock your car and roll your windows up all the way. If you notice any strangers lurking in the parking lot, notify the University Police immediately.
- Don't leave any valuable items in plain view inside your car. Leave them at home or lock them in the trunk.
- When you approach your car, have your key ready and check the floor and back seats before you get in.

IF YOU ARE A VICTIM

- Stay calm. If you are confronted by an armed robber, cooperate. Call the University Police as soon as possible. A good description will be vital to the police, so try to remember everything you can about the assailant. Important things to look for are height and weight, race, sex, age, color of hair and haircut, complexion, facial hair (beard, mustache, side-burns), color of eyes and eyeglasses, scars or other unusual marks, speech including accent or lisp, clothing, jewelry, weapon, vehicle color and make, license number, and direction of escape.
- Contact Personnel Services or Counseling and Psychological Services for referral to an appropriate agency to help you cope with the trauma that any victimization causes.
