

# FORMATTING STYLE ACCORDING TO DEGREE/MAJOR

Each field of study cites their research and formats their papers according to a specific style. Regent University primarily uses three formatting styles: APA, MLA, and Turabian. Please note that if you have a concentration, minor, or take electives in other disciplines, you may use multiple formatting styles.

Check out our [APA, MLA, and Turabian Sample Papers, Formatting Checklists, and videos](#) to develop your formatting skills!
