Notes

¹ BUS 600 Graduate Foundations for Business/Leadership (2) or UNIV LIB Information Research & Resources (0), as required upon admission.

² The School of Business & Leadership programs are committed to the historical foundations of the doctoral degree in which a community of scholars is created among faculty members and student scholars. Regent University mirrors this historical tradition by using course-embedded intensive virtual residencies and a variety of interactive discussion modes that extend beyond topical course discourse.

³ Prerequisites for DBA 790, DBA 791, DBA 792 are successful completion of all DBA Core Courses.

If a student needs additional time to complete the DBA Project after registering and paying for DBA 790-792, the student then continues to register for DBA 793 DBA Final Project Continuation (1) for each semester until the project is successfully completed and defended.
